Business for good

ABOUT MOON RABBIT

Moon Rabbit is an environmentally innovative social-enterprise café brought to you by Bridge Darebin. We serve exceptional coffee, provide considered catering options and act as a training site for students of Bridge Darebin’s work-readiness program.

We apply a top-to-tail approach when working with all produce to ensure that not a crumb is wasted before it arrives to you. Any food scraps produced are placed into our enrich360 dehydrator and turned into rich fertilizer. This gets added to our edible garden to enrich the foods grown there and used in our cooking.

ABOUT BRIDGE DAREBIN

Bridge Darebin is a multi award-winning not-for-profit organisation with a 40-year history in community development and education. We empower our community by offering adult education, children’s services, social activities and support services.

Bridge Darebin manages multiple sites with varying sized spaces for hire across Preston and Thornbury.
